LEARNING FOR LIFE

Things on a Wall – A Hannans Road Art Exhibition
Thank you to those parents and guests who joined us today for our art exhibition. The students created some interesting works from 2D paintings through to sculptures and installations. Some of these will be kept and displayed around the school. Photos from the exhibition will be displayed on the school’s website: http://www.hannansrd-p.schools.nsw.edu.au/.

Know anyone who wants a quality education?
We have had quite a number of enquiries about Kindergarten for 2015. If you know anyone who wants to join a dynamic school, offering lots of opportunities for students as well as a quality education send them to our Office.

Gymnastics
Gymnastics is underway and the students are really enjoying the lessons and the experience of going to an actual gym. I am always very proud of our students and their behaviour when they are engaging in activities outside of the school. We are receiving some wonderful reports about our students as they join in their gymnastics lessons. Well done, Hannans Road.
Expectation - Responsible

Responsible people:
- Have what they need each day
- Make good choices
- Think about how their choices affect others
- Are on time

Are you a responsible person?

INTERNATIONAL DAY
One World - Harmony

This year our theme for International Day, to be held on August 20, is harmony - a message we think is important in current times. On the day, each class will present an item based around the theme of harmony and there will be other performances throughout the day. We are looking forward to a great day and we hope you can come along.

Photo Opportunity

Two Saturdays ago some of our students performed at Washington Park. The Village News would like to publish some photos of our students performing. If your child was a performer and you do not want their photo published, could you please let me know tomorrow. I am sorry for the short notice, but I only received this information yesterday afternoon. If we do not hear from you, we will assume the photos can be published.

School Banking

Our P&C would like to offer students the opportunity to start a bank account through the school. If your child participates in the program they will be given a bank deposit book which they will bring to school on Banking Day with any amount of money enclosed. The P&C will then have this deposit processed. It's a simple way to teach your child about money and develop good saving habits without having to go to the bank. At the moment we are asking for an expression of interest, as we need a number of students to be involved for the scheme to be viable. If you would like your child to engage in school banking, please complete the expression of interest at the end of this newsletter and return it to school by Friday, 8 August.

Book Fair

We have had a very successful Book Fair this week. Thanks to Mrs Grabovac for organising this. The school receives a percentage of funds raised which we can take as books from the Fair - this is a great way to top up our library. So thanks to all those who bought something from our Book Fair.
School Fete
In September 2015 our school will be holding a fete. Fetes take a lot of arrangement so we are looking for parents to support us in the organisation of this. If you've got some time and you would like to help our school, there is a meeting for volunteers on Monday, 4 August at 2.45pm in room 6. We would love to see you there.

Assembly
What an exciting assembly! Well done 3/4D for a great music video which, in my personal opinion, was better than Cold Play’s. We also heard our proposed new school song, written by Ms Pettitt. What an exciting assembly!

Next week’s assembly will be hosted by K/1C.
