LEARNING FOR LIFE

Crunch and Sip at Parliament House
Yesterday our school leaders were invited to attend a Crunch and Sip with the Ministers at Parliament House Sydney. The morning was held in the Speaker’s Garden in Parliament House. The purpose of this visit was to support the Crunch and Sip Program and encourage the Ministers to encourage the schools in their electorates to implement this program. Crunch and Sip is about having a healthy snack to refuel our brains and bodies and help us with getting on with our work. The program has been very successful in our school for a number of years.

PSSA Basketball
Starting tomorrow, our boys will be involved in PSSA basketball. This is an indoor competition being held at the Morris Iemma Gymnasium. The competition is currently only offered to boys and Mr Dulaurens has been training our junior and senior teams so they are ready to go! As a Sun Safe School we don’t participate in summer PSSA as teams play outdoors in the hottest part of the day. It’s great our students have the opportunity to participate in basketball this year.

Oz Tag
Congratulations to our Oz Tag Teams who had a great day last Friday competing against other schools across our region. The games were held at Fairfield. All of the teams played well, Mr Dulaurens was very impressed with their efforts. Congratulations guys.
**Expectation - Think**

<table>

<th>Think</th>
</tr>
</thead>
</table>

Do I
- Think about the consequences of my actions - good or bad?
- Think about how my actions will affect my friendships?
- Think about how my actions may affect other people?

At Hannans Road we expect everyone to think about how their actions affect themselves and others.

---

**Teachers Learning**

Next week some of our teachers will be involved in some professional learning outside of the school. This year some of our classes elected to participate in project based learning, a program encouraging students to take responsibility for their learning and increasing their engagement in their learning by giving them a purpose or project. As an extension of this, some of these teachers will be involved in professional learning on Self Organised Learning Environments. This will be on Monday, Tuesday and Wednesday next week. Mr Dulaurens, Mrs Johnson, Mr Orgill and I are the team involved. Mrs McNeill will be in the office. The benefits of this type of learning are many, with students becoming more engaged with their learning and improving their learning outcomes.

---

**Fete Meeting**

The next meeting of the fete committee will be held on Wednesday September 17 at 1pm. If you'd like to get involved and support our school please come along.

---

**Holidays**

School holidays start at the end of next week, Friday September 19. Students return to school on Tuesday September 7 as the Monday is a public holiday.

---

**Gymnastics**

As we missed a week of gymnastics due to the rain, there will be gymnastics lessons next week. 4/5J and 5/6K have missed two sessions, they will have two sessions next week to make up for this. Their first session will be on Tuesday at their normal gymnastics time and the second will be on Wednesday afternoon from 2.00 - 3.00. KR will also have a make-up session and this will be held on Thursday morning at 10.30. That will be the end of the gymnastics program this year.

---

**End of Term Award**

This term our awards BBQ will be held early next term. Our winning house award will be held on Friday September 19.
Shine

Each year our Year 6 girls are offered the opportunity to participate in the Shine Program held at Peakhurst. The girls learn skills in personal hygiene, problem solving and making good choices. This program has been offered to our senior students again this year. Notes went home today, please complete these and return them to your child’s class teacher.

Assembly

My apologies for the disruption to our assembly this week. Unfortunately we lost all power in our hall on Wednesday and are looking at what the problem is and how we can fix it. We will not have an assembly next week due to the additional assembly items. Awards can still be handed in and will be given out during the week.

This week our award winners were:

Where’s Oscar?

If you can guess where he is this week, you can go in the draw to win $2 canteen money. Complete the slip and put it in the box in the office.

Name: ___________________  Class: _________

I think Oscar is ______________________________
