LEARNING FOR LIFE

Change of Date
We have had to change the date of the Sports Assembly due to a conflict with High School Orientations. The Sports Assembly will now be held on Monday, 1 December at 10:00am.

Read-a-thon
Congratulations to all students who have returned their read-a-thon money! Mrs Grabovac is very happy with the support for our school Library and to see so many students reading such interesting books! If you haven’t brought your money in yet, there is still time. Mrs Grabovac is looking for the student who reads the most books and the student who raises the most money in each class. Don’t forget to get your money in!

More Gold Medallions!
Two gold medallions at one assembly – amazing! Congratulations to Tamara Davis and Nicole Skyllas-Vosota who both received gold medallions at assembly this week. These are two girls who get involved, work hard and support others. Nicole is a very talented student who looks out for others and Tamara is a really keen student who always does her best in anything she takes on. Congratulations girls!
Expectation: Think – Am I making a smart choice?

No one makes us do anything, we make our own choices. What we need to decide is whether we are making smart choices or not. Here are some things to consider...

- Will my choices make me happy or get me into trouble?
- Will my choices hurt me or other people?
- Am I showing respect for myself and others with the choices I make?
- Is there a better choice?

The decision is yours, but so is the consequence - good or bad!

End of Year Celebrations!

We have a very busy end of year coming up, with special assemblies, Year 6 Social and excursion, our end of year production evening and our party day but this doesn’t mean we aren’t still working! Students are expected to be at school until the last day of term which is Wednesday, 17 December. If you are going on holidays early, please talk to your child’s class teacher and see the office as there is a form that needs to be completed.

A Reminder - SHINE graduation next week

Just a reminder to our Year 6 parents that next Wednesday, 26 November is the day our Year 6 girls graduate from SHINE. Notes were sent home with the girls yesterday. We hope to see parents there supporting our girls as they graduate from this wonderful program.

Swim School

We are hearing great reports from our students who are attending Swim School this term. But, don’t forget, two weeks isn’t enough to build confidence and survival skills. Children need ongoing swimming lessons to be really safe in the water – let our Learn to Swim program be a start.

School Leader Elections

On Monday our nominees for school leaders, Captains, Vice Captains and Special Prefects presented speeches to the school. Each student and teacher was then asked to vote for the students they thought would make the best school leaders for 2015. The votes are being counted and the successful students will be announced at our Presentation Day Assembly on Monday, 8 December.
Last whole school assembly

Our last whole school assembly will be held next Wednesday at 9:30am. We hope you can join us.
