LEARNING FOR LIFE

**Senator’s Visit**

Well, what a week! Our local Federal Member of Parliament, David Coleman, was coming for a meet and greet with the school executive today. This had been arranged weeks ago. Then Wednesday, his office rang to ask if they could bring a Senator with them for a visit. It all happened very quickly, and today Senator Fierravanti-Wells came for a visit to 3/4D. The Senator is responsible for, among other things, Harmony Programs and wanted to visit 3/4D in relation to the Football World Cup and Harmony. The students worked on a wonderful activity, helped by both the Senator and Mr Coleman MP. The students then asked some really intelligent questions about harmony, football and the Senator's role. It was a brief visit, but the students were amazing! You should see us in the Leader and the Torch soon.

**School Athletics Carnival**

Our athletics carnival will be held next Wednesday 18 June, **starting at 9.00am**. Students will walk to Bland Oval with their teacher. Students must return permission notes to be able to attend the carnival and it is expected that all students will attend. Students may wear suitable clothes in their house colours. Students are asked to bring their crunch and sip in a bag to take to the oval as their school bags will be locked in classrooms. The track events will be held at Bland Oval in the morning and field events and infants events will be held in the playground after lunch. There will be a parent’s race, with ribbons awarded at assembly - so get your training going parents!
Expectations – Think

What a great group of thinkers we have at Hannans Road! We have almost everyone remembering their hats so they can play at lunchtime, less and less people in time out during lunch, almost everyone walking on the asphalt for their safety and the safety of others...amazing! Let's hope we can get everyone thinking about how they can make Hannans Road the best school ever!

P&C Meeting

Our next P&C meeting will be held next Tuesday 17 June at 2.00pm. We will be discussing a Code of Conduct and the priorities for the year. Hope to see everyone come along.

Notes and Money

All of our notes have a cut-off date by which payment must be made. This is because most venues require payment and numbers before the excursion. Please be aware that payments and notes not returned by the cut-off day will mean students will miss out on the activity. For PSSA sport, any child who misses more than 2 consecutive payments will not be able to attend. If you have difficulty with payments please do not hesitate to talk to your child’s teacher or the office as we are more than happy to make arrangements.

Active After School Care

This has been running really well, with students actively involved. Next week, there will be no Primary Active After School Care as we have our athletics carnival on Wednesday. We are hoping to organize this for the last week of term.

Snake Tails

Yesterday "Snake Tails" visited our school. This was a great program for our kids who learnt about reptiles and how they live and even had the chance to get up close and personal with a few. Our students really enjoyed this visit. Visiting artists are an inexpensive way to give our students an opportunity to experience learning in a very hands on and practical way.
This week was our last assembly for this term. Next week we have our athletics carnival on Wednesday and the following week a number of classes are out of the school on an excursion. Keep the awards coming in though as these will be given out at morning assemblies. Any student who will receive a gold medallion has the option of receiving this at a morning assembly or waiting till next term and receiving it at a whole school assembly.

**Award Winners**

This week’s award winners were:

Have a great week

C. Butler

R/Principal

**Where’s Oscar?**

We had a bumper crop of entries for last week’s ‘Where’s Oscar”. But with a short week, we forgot to do the draw at morning assembly. However, this week’s winner is Emily Cheng form 4/5J who knew Oscar was in the library. Well done Emily, and $2 to spend at the canteen.

Do you know where he is this week? If you do, fill out the slip below and return it to the office. First correct entry wins $2 canteen money.

Name: ___________________  Class: _________

Where’s Oscar? _________________________________
BUMPER WEEK AT HANNANS ROAD
(We even needed an extra couple of pages!)

Gold Medallion Winners - Well Done Guys!

Tyran Briar - a wonderful student who always tries hard and does his best to show respect for himself, others and the school.

Lizzie van De Pol - an excellent school leader and a role model for other students.

Asif Mahmud - a responsible student who looks after others and does his best.

Jason English - someone who always strives to improve his learning.

Drummers at Hannans Road

Over the past two terms some of our senior boys have been working with William, a great support person for our students. One of the things they have been working on is drumming. At this week's assembly they presented an excellent item - well done boys!
