LEARNING FOR LIFE

**Athletics Carnival**

Yesterday we held our Athletics Carnival. This was a great day for Hannans Road with our students competing in age races, 200m races, novelty events and field events. Our winning house will be announced next week. Congratulations to all of our students who not only competed well but demonstrated excellent sportsmanship and behaviour. Congratulations also to our parents who joined in the parent race. Well done everyone!

**Support letters**

Over the last two weeks we have included letters for parents to sign asking for our asphalt to be fixed and flashing lights to be added to the crossing outside the school. These letters will go to our local member who will raise these issues in parliament. So far we have not had a very strong response which is disappointing. If you haven’t signed and returned a letter please do so to support our school and our students. Copies of these letters have been included in this newsletter.

**Reports**

Reports go home next Thursday. Students in Years 1 - 6 will receive a grade from limited to outstanding. Under Departmental guidelines, students who are achieving at the expected standard for their stage are considered to be sound. Most students will fall into this category. Students who demonstrate a good understanding of skills taught and can use these across different learning areas may be outstanding. A student who achieves a sound is doing exactly what is expected of them at this stage. If you have any questions please speak to your child’s teacher. Days absent are also included in reports.
Expectations - Responsible

Responsible people always make sure they have the things they need, take care of the things they use and return things they borrow. This includes things like bringing pens, pencils and hats to school, taking care of any equipment you borrow and making sure you return things like books to the library or play equipment to the correct box after lunch. Great to see so many responsible students at Hannans Road!

Reward BBQ

Next Thursday, 26 June we will be holding our Term 2 reward BBQ for all students who have received no more than one detention. Our Discipline Policy states that any student who receives numerous detentions may be able to join in school activities if they show they have improved their behaviour. This term we have had a strict adherence to our expectations and most students have followed through by making excellent choices. So this term, those students who have not received a further detention in the last four weeks will be able to participate in the BBQ. Those students who have received additional detentions in the last four weeks or students who have had a suspension will not be able to participate. Notes will go home to those students who are unable participate in the BBQ.

House Reward

The winning house for this term will receive a house reward next Friday, 27 June. The winning house will be announced at morning assembly next week.

School Holidays

It has been a very busy but very quick term. School holidays start next Friday, 27 June after school. Students return to school on Tuesday, 15 July. PSSA sport will still be held on the last Friday of term.

SAVE THE DATE - INTERNATIONAL DAY

Ever wanted to travel the world? Well, here’s your chance - International Day at Hannans Road! On Wednesday, August 20 we will be holding our International Day. We have some special guests, gift bags and entertainment for everyone! See you there.

Planning

Next week our staff will be engaged in planning literacy for term two. We have planning time in literacy and numeracy twice a term through which teachers plan quality programs to support the learners at our school. Teachers work together to plan and this generally involves half a day for literacy and half a day for numeracy.
With our athletics carnival this week and a number of classes on excursion next week our next assembly will be next term. Keep the awards coming in as these will be given out at morning assemblies. Any student who will receive a gold medallion has the option of receiving this at a morning assembly or waiting till next term and receiving it at a whole school assembly.

Award Winners
As we had our carnival yesterday and a number of classes on excursion today, our awards will be given out at assembly on Friday and names for this week and next week will be published in next week's newsletter.

This week's award winners were:
