Welcome back

Welcome back to Hannans Road in 2014! A special welcome to all of our new kindergarten students and all the other new students and families who have joined us this year, you've made an excellent choice coming to Hannans Road Public School. We have a great year planned for our school community and we look forward to working with you all as the year progresses. This is just a short newsletter to let you know what's happening so far.

Classes and organisation

We have had a number of new enrolments this year which is fantastic. As a small school most of our classes are composite or multi age classes. This class structure provides opportunities for students to develop at their own rate whilst still working within their appropriate stage. We look forward to an exciting year ahead.

Principal’s Position

As you are aware, I am currently Relieving Principal of Hannans Road Public School. This has been because our previous Principal, John Boland, retired and the person appointed as Principal after him, Bev Newitt, was unable to take up the position due to ill health. I received information that Mrs Newitt has retired and the Principal's position at Hannans Road Public School will be advertised this term. A Principal will be appointed to start at the beginning to term 2.
Respect at Hannans Road

At Hannans Road we expect that we all treat each other with respect. We encourage all of our students, parents and teachers to think about their actions - am I keeping myself and others safe? Do my words and actions show respect for myself, others and our school? Do I think before I act? Over the next week I will send home a copy of our expectations for all parents to read and talk about with their children.

Safety at School

Just a few reminders about safety:

- Always enter and leave school grounds through the front gate, not through the car park as this is unsafe for all students and parents
- Parking in the car park is for staff and delivery people only. Parents are not permitted to park in the car park.
- All students at Hannans Road need a school hat
- Students who do not wear either of these hats must play under the COLA during lunch and recess
- Always keep the school updated with your contact details in case we need to contact you during the day.
- Always contact the school when someone different is picking your child up from school, we don’t send students, particularly our younger students, home with people we don’t know.
