HRPS School Plan

After a long period of consultation and development our three year strategic plan has been approved and endorsed by the Director of Public Schools. In 2015 a new planning process was developed by the Department of Education and Communities. The new process has given school communities a revised process for identifying and delivering school reform and development. As part of the planning process our parents and staff identified priority areas and as a school we have developed programs which will deliver outcomes aligned with these priorities.

A copy of the plan is available on the school website and I encourage you to have a look and understand the exciting opportunities we will be focusing on this year and beyond.

To access a copy please follow this link:

Parent Workshop - Writing

On Monday 18 May we will be running a parent workshop targeting writing. This workshop has a K-2 focus however parents with students in all years will benefit from attending. Workshop participants will be given the opportunity to see how students learn to write in a contemporary classroom and how writing relates to other critical literacy skills.

If you would like to attend please meet Ms Roe and Ms Crowhurst in the library at 3.40. We hope to see you there.
Expectation: Persevering

What does persevering look like?

- Never giving up
- Understanding that failure is part of success
- Learning from mistakes and doing better next time

That's what we expect from everyone at Hannans Road.

Walk Safely To School Day

Next Friday 22 May is walk safely to school day. Walk Safely to School Day is an annual, national event when all Primary School children are encouraged to walk and commute safely to school. It is a community event seeking to promote Road Safety, Health, Public Transport and the Environment. To promote this event, students who walk safely to school will be greeted with stickers on arrival. We would also like parents to contribute to this promotion by messaging photos of their children walking to school to our Facebook page. Once received, we will share these photos via the school Facebook account to promote safe and healthy walking to and from school.

District Cross Country

Congratulations to the following students who won their age group at our Cross Country last week. Elamin Bushara, Holly Mirfin, Damian Cheh, Emily Cheng, Gamma Bushra, Selina Rivera and Kieran Cook. Please refer to our Facebook for photos. We wish the winners and our other place getters well in the District Cross Country next week.
Free Books
Mrs McNeill has a selection of books which we would like to give to students for home reading. If you would like to add some books to your collection please see Mrs McNeill outside of learning time to make a selection.

Where's Oscar?
Congratulations Nora Salameh from 2O for correctly spotting Oscar near the wall outside K/1W. See me for your canteen dollars! Oscars travels have continued and he looks to be having fun in the playground. If you know where Oscar is hiding, fill in the slip below and return it to the box in the office. The first winning entry selected will win $2 to spend at the school canteen.

Name: ____________________________
Class: __________
I think Oscar is________________________
