Cross Country

Perseverance is our expectation this week and our cross country runners have exemplified this with their efforts at the District Cross Country. When facing up against the best in our district, our runners simply put their heads down and ran their hearts out. The pace was quicker and the competition fierce but like true champions our runners took up the challenge and pushed out every step. We are very proud of the cross country runners wearing our colours today. To view videos of our students running please go 'like' our Facebook page and click on the video links.
P&C

Our school is supported by a dedicated and growing Parents and Citizens (P&C) group. We are very grateful for the fundraising and support this group provides and encourage all parents to take part in any way they can. Our P&C meet on the 3rd Tuesday of each month at 1:30pm in the library AV room. The next meeting is Tuesday June 16 and we would love to see you there.

That’s what we expect from everyone at Hannans Road.
