Dear Parents,

Once again this year our school is being visited by the Life Education van. Life Education supports students in developing healthy lifestyles, coping with peer pressure, making healthy choices, cybersafety and decision making. Each class works through a program selected by their class teacher that is best suited to the age and needs of the students in that class.

This year the Life Education van and Healthy Harold will be visiting the school on **Thursday 5 June and Friday 6 June**. All students will attend a session once over the two days. We have been fortunate again this year to be able to participate in the program at the **reduced cost of $5 per student**. Students who do participate will also receive either a workbook or access to online lessons to support the work done in their particular session.

The sessions are:

**KR Clued UP** - healthy lifestyles, personal hygiene and self-assertion

**K/1C Harold’s Surprise** - healthy food choices and the importance of physical activity

**1/2P Harold’s Mystery Tour** - how the body works, coping with peer pressure and safety

**2/3Y All Systems Go** - how the body works, safety with medicines and peer pressure

**3/4D Cyberwise** - cybersafety and problem solving

**4/5J Think Twice** - The consequences of alcohol use and staying safe

**5/6K It’s Your Call** - decision making, peer pressure, problem solving and safe and appropriate use of technology

Please complete the permission slip below and return it, with money, to your child’s class teacher no later than Tuesday 3 June.

C. Butler
R/Principal
