Children who thrive in school tend to have one thing in common – they enjoy reading. To support our students in creating a lifelong connection with books and reading, Kindergarten and Year 1 are going on an excursion to the State Library of NSW on Wednesday 16th September. The students will be leave school at **8:45am** and return by **3:30pm**. Travel to and from the State Library will be by **bus**.

The State Library of NSW is contributing the total cost of travel to the venue. A small entry fee of $5.00 per student offers a tour of the library, a story reading session and activities. It is a wonderful opportunity for younger students to engage with libraries and learning.

Students will need to bring a hat, lunch and recess and a drink in a plastic bag with their name written on it in **BOLD** letters.

Students who require medication (asthma, travel sickness, etc) must have the details of this recorded on the permission note below. Please return the permission note attached with payment of **$5.00** by **Monday 14th September**. Please contact the school if you need further information.
